

STEPONE SEALER™

## Advantages

- Low Odor - 'User Friendly'
- Very Fast Dry/Recoat Time
- Increases Ease of MightyOne HD Application
- Protects from Plasticizer Migration, typical of Flexible Floor Surfaces
- Simplifies MightyOne HD Strippability
- Use StepOne to Enhance 'Fullness & Depth' of Gloss
- StepOne - excellent choice to apply when preparation and application time are very limited.

## Application Instructions

- Properly strip all existing finishes.
- Thoroughly prepare and clean the surface.
- Allow the surface to dry completely.
- Apply StepOne onto the prepared surface.
- Allow to dry; apply a second coat of StepOne or MightyOne HD Finish.
